

MINUTES OF THE SPECIAL CITY OF CRESCENT COUNCIL MEETING August 19, 2015 THE CRESCENT CITY COUNCIL met in special session in the Crescent Community Hall at 6:17pm pursuant to the law. Mayor Brian Shea called the meeting to order. The following Council members were present: Hildreth, Jacobsen, Beck and Anderson.

City attorney, Joe Thornton was apprised of the issues prior to the meeting. His phone call came in at 6:18 and he went of the issues. He was asked about special assessments regarding the discussed sewer main. He stated that special assessment process is not just a piece of paper. City would need to have a resolution, everything would need to be engineered, then at fair market value, divide up the cost, charge the residents versus what amount the city would pay.

The main reason for the meeting was to discuss the Leggio and Ykorski properties, so that they can move forward, Leggio's because of a bad septic and Ykorski due to new building. Right now, it is financially unfeasible to put this sewer main in.

MOTION BY ANDERSON, seconded by Beck to allow septic permits for these two (2) residents. Permits needs to state that should we run a main in this area, they have one (1) year to connect to the sewer. Hildreth, Beck and Anderson, Jacobsen, nay. Motion carried.

MOTION BY Beck, seconded by Jacobsen to adjourn the meeting. Hildreth, Beck, Anderson, Jacobsen, all ayes. Motion carried.

Meeting adjourned at 6:45PM.
