PAT MORGAN/POOL discussion. Lease was received for council to review. City is hoping to open the pool in late May. City would be responsible for all maintenance of the pool, to offset this expense City will be looking into family memberships, single memberships, daily prices. The pool needs to be brought up to codes. There will be a FUNDRAISER on Feb. 23rd, 2013 which will be a "CHILI FEED" at the Crescent School. Time will be 4:00 or 5:00PM. MAINTENANCE/CRAIG PETERSON reported there are still people snow-blowing their snow into the street after he plows. This causes a snow build up and turns to ice which in turn causes a hazard. DO NOT BLOW THE SNOW INTO THE STREET. ORDINANCE 135.12 states 'that it is unlawful for any person to throw, push or place any snow from private property on to said streets or alleys.' Potholes are being patched as they appear and as weather permits.
